Reviews

Jo Gonsalves

Went on a 2 week Porto/Lisbon/Azores vacation, with our family of five (11, 14, 15 yrs) and it was so smooth with transfers, and hotels and tours. Tour guides were great and we got to see and do soooo much. During the whole process, it was always super easy to get ahold of someone and what was really nice was that they have a US and Portugal office, so you can contact people on both sides if anything comes up! made me feel safer travelling with the kiddoes.

Using your company for our trip was the best decision I ever made! All the guided trips were incredibly beautiful and unique. The guides were so friendly and knowledgeable, and Marcos went above and beyond while helping me to plan everything from day 1. I couldn't believe what we got for the value. Also, we experienced some bad weather on a few days and the tour guides worked with us and offered really amazing alternative to still make this trip an amazing experience. Don't hesitate to start working with them to book your trip!
